FOR YOUR INFORMATION:

The parish nurses say: In addition, all adults should receive the flu vaccine yearly if there is no medical contraindication. This vaccine changes each year. It is developed each year based on the strain of flu that is expected to prevalent that year. For the most part, the only side effect for most people is maybe a sore arm.

The Parish Nurses are once again coordinating a Red Cross Blood Drive from 1:00 to 7:00 PM on September 27th at St. Jerome's in the Faith & Life Center. Following Hurricane Harvey, the need for

blood remains high. The Red Cross now takes reservations to reduce your waiting time. Parish nurses will be in the commons this weekend to put you on the schedule and answer any questions. Ask about the new Rapid Pass. You may also go online to redcrossblood.org, sponsor code: "St Jerome" to make your reservation. Email Regina Asaro at griefwork@cox.net or call 833-8093 if you have any questions. Remember: Your gift of blood is the gift of life. Thank you.
