

**FIAT: Families In Action Together**  
**Preschool and Elementary Family Schedule**  
**2018**

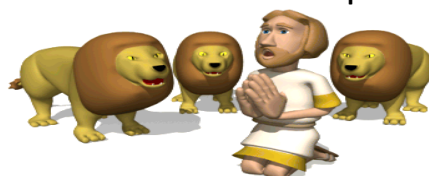

This year, STJ will embrace a program known as Whole Community Catechesis for our Sunday School Program. This is a program that is proven to be effective for an entire family experience.

Our adventure will begin with journeying to ancient Babylon and meeting Daniel and his friends in captivity. The people in Babylon believed in many fake gods, but Daniel and his friends had the courage to stand firm and believe in the one true God. They testified to how God is always with us and will always walk with us during times of success and times of trials. And He still does that today!

This year, for 10 weeks in a row, we will learn about the tribes of Israel, the challenges of being a believer in Babylon (similar to today), and how we can show courage in times of trial!
