The Parish Nurses Say: Asthma is a disease of the airways going to the lungs. The airways get swollen and inflamed. They react easily to viruses, smoke and pollen just to name a few. When the airways get inflamed, they get narrow and this makes it difficult to breathe. There are many things that can cause or worsen an asthma attack. Check the parish nurse bulletin board for more information.

Simbang Gabi

St Jerome will be hosting Simbang Gabi this year. We are honored to host this event through the diocese. Simbang Gabi is a long – treasured Catholic tradition in the Philippines with liturgical relation to the Advent Season. It is also considered a time of preparation for the celebration of our Savior’s birth. It is a series of Dawn Masses, serving as a novena to the Blessed Mother. As such, it starts on the 16th of December and runs until Christmas Eve. Traditionally in the Philippines, the Simbang Gabi Masses are celebrated in the very early hours (as early as 4 AM or 5 AM) to allow the farmers and the fishermen to attend the Mass before they set out to the fields or to sea. Through the years, scheduling variations have been made, especially when the tradition was carried over to the United States. The Mass at St. Jerome will be Sunday, December 16th at 5:00 pm, with a reception to follow at the Fellowship Hall with Filipino Cuisine. For food donations please contact: Merit Belmonte 757-874-0156 or Ben Elefante 757-880-1708.

St Jerome Food Pantry is in need of the following items: Pork & Beans, Pasta/noodles, Mashed Potatoes, Cranberry/applesauce and Jelly.
